Major General Robert H. McCaw
Judge Advocate General
Department of the Army
Washington, D. C.

Dear General McCaw:

As the year draws to a close, I would like to express our appreciation for the fine assistance which your office has accorded this Agency over the past months.

In the field of patents, Lieutenant Colonel Joseph A. Hill, Chief of your Patents Division, Mr. Lawrence A. Neureither and Lieutenant Colonel Harvey S. Boyd have been consistently cooperative and responsive to our needs. The majority of our requests have involved classified matters which these gentlemen have handled smoothly and securely.

In the area of contract appeals, we have been well supported by Colonel E. P. Snyder, Chief of your Contract Appeals Division, and by Lieutenant Colonel Jack A. Hubbard who recently represented the Agency in an appeal before the Armed Services Board of Contract Appeals. I am told that his was a thoroughly professional performance.

We do not have enough work in the areas referred to, to warrant the establishing of permanent staffs. Hence, it is with a real sense of appreciation that from time to time we are able to obtain the assistance of your highly competent staff.

Best wishes for the holiday season.

MEMORANDUM FOR: THE DEPUTY DIRECTOR

Attached is a letter to the Judge Advocate General thanking him for the very useful support his office has given us in the patent field and on contract appeals. They have been most cooperative and this means we do not have to build up a staff with similar capability. General McCaw replaced General Decker in February 1964. General Decker is now in Chicago with the American Bar Association
